H & I Guidelines – 05/01/2006

Definition: Our primary purpose is to carry a clear NA message of hope and freedom. No Addict seeking recovery need die from the horrors of addiction and can stay clean one day at a time and learn to live a new way in the rooms of NA. The hospitals and Institutions Subcommittee of the Capital Area Service Committee is comprised of members of Narcotics Anonymous whose purpose is to carry the message of

Recovery to addicts in hospitals and institutions who have restricted or limited access to Regularly attend outside NA meetings.

This committee is a subcommittee of the Capital Area Service Committee of Narcotics Anonymous, and is directly responsible to that committee.

Responsibilities and Functions of the H&I subcommittee:

1. To orient new H&I subcommittee members, or anyone interested in sharing at a presentation on the many aspects of H&I service work
2. To make literature available to the facilities where H&I meetings are held within the area, when financially feasible.
3. To be directly responsible to the CASNA ASC regarding all aspects of the H&I subcommittee business on an ongoing monthly basis.
4. To maintain an updated current detailed list of all facilities actively served by the subcommittee. This list should contain for each facility:
 - a. The name and phone number of the inside contact (volunteer coordinator or director)
 - b. Specific relevant requirements and restrictions
 - c. The name and phone number of the current CASNA H&I panel leader assigned to that facility
5. To maintain an updated current detailed list of all active sub-committee officers, panel leaders and members. This list should contain:
 - a. Their name
 - b. Their phone number
 - c. Their position
 - d. The facility they serve if applicable

Officers:

1. The officers of this subcommittee shall be made up of a chairperson, a vice chairperson, a secretary, a vice secretary and a literature coordinator. The H&I committee's officers are to be elected by majority vote of the committee at large, except for the chairperson and the vice chairperson who are elected by the area service committee
2. In the event the chairperson is not able to fulfill the responsibilities or resigns, the vice chair shall automatically assume the responsibilities of chair until the area service committee elects a new chairperson
3. If the vice chairperson cannot or will not act as H&I chairperson, the committee will nominate and elect from within its members and acting H&I chairperson until the ASC fills the position
4. Any officer or member of the H&I committee is automatically disqualified from further H&I activity upon relapse
5. A committee officer shall be removed after missing 3 consecutive regularly scheduled H&I business meetings

General Information:

1. Any member of the H&I committee is automatically disqualified from further H&I activity upon relapse, but may again become eligible when he or she can conform to the requirements set forth herein. Being clean for the purpose of this H&I committee shall be construed as freedom for the use of any mood or mind-altering substance.

2. Any member not conforming to the foregoing requirements or to any other which might be added later or who refuses to abide by the rules and regulations of the facility being served shall automatically be relieved of any H&I committee assignments previously granted.
3. No Narcotics Anonymous meeting regularly conducted under the auspices of this committee shall be held in any institution, except under the direct supervision of the H&I committee or delegated leader specifically appointed by them. For each facility actively being served, a specific member should be assigned as the CASNA H&I panel leader. All H&I presentations for that facility should be conducted by the panel leader or panel coordinator. In the event this is not possible, the chair or vice chair should be notified.
4. All requirements and restrictions pertaining to each facility should be strictly upheld by all CANSA H&I officers, panel leaders, members and speakers
5. No H&I member will involve themselves with any activity at the facility that our committee serves, to avoid possible conflict and damage to our relationship with facility. NA is not affiliated with any facility and must carry a clear NA message or recovery and refrain from commenting about the facility or its program.
6. Narcotics Anonymous case histories, life stories and/or NA principles of NA general information are to be the only topics of any Narcotics Anonymous presentation conducted within all institutions served by this committee. All H&I speakers must strictly comply with this regulation, confining their talks solely to the spiritual principles of NA
7. Failure to comply with the foregoing regulations shall be sufficient grounds to be dropped from H&I committee membership, when agreed upon by the H&I committee
8. If a controversy arises with an H&I member or panel participant, it is the responsibility of the H&I chair to first communicate with the facility to explore the controversy and then call a meeting of the H&I subcommittee as soon as possible. It is suggested that you bring together as many members as possible to give you input and direction on how to handle the situation. Remember, members of the subcommittee come first
9. Although our primary purpose is to share our experience, strength and hope, we strongly believe it is important to get the clients of the facility involved with the NA meeting through reading, sharing, ext. We do this by allowing time for them to share. We encourage personal contact be established with the clients, men with men and women with women, within the rules and regulations of the facility
10. Carry the message, the basic text, not the mess, read from it and refer to it during the presentation
11. A well rounded message is presented by more than person attending. Call someone and ask them to help you carry the message. It is suggested that a panel of two to five members attend the presentation where never possible.
12. People seeking to share at facilities need to have worked through their problems sufficiently and not engage in behaviors that re prone to jeopardize the recovery of the clients, either by setting poor examples as recovering role models, or by soliciting involvement with clients in behaviors dangerous to their recovery.
Remember, facilities reserve the option of denying admission based on their discretion in these areas.

Qualifications and Duties of Trusted Servants:

Learning to help others is a benefit of the Narcotics Anonymous Program. Remarkably, working the Twelve Steps guides us from humiliation and despair to acting as instruments of our Higher Power. We are given the ability to help a fellow addict when no one else can. We see it happening among us every day. This miraculous turnabout is evidence of spiritual awakening. We share from our own personal experience what it has been like for us. The temptation to give advice is great; but when we do so we lose the respect of the newcomer. This clouds our message. A simple, honest message of recovery from addiction rings true.

Basic Text pp. 49-50

Suggestions-H&I chair

1. Although the facility may think it needs attention now, I should allow everything to happen in God's time. People should show up when scheduled. I should receive communication when promised. My concept is only a very small part of the picture. Trust that God is in control and everything happens for a reason.
2. I am only a trusted servant, I am not in charge! The sub-committee, which was formed by ASC, was formed by the groups and the group was formed by individual members. I represent individual members of NA. All decisions should be made by vote of the subcommittee. When needed decisions should be made by each individual group through GSR's at area service. Remember, God's time, not mine.
3. The main purpose of Hospitals and Institutions subcommittee is to carry the NA message to the addict who still suffers. We represent Narcotics Anonymous as we enter and communicate with the facilities. We represent NA in our community. It is very important to keep our personalities aside and the focus on the inmate sitting in the institution or halfway house, the adolescent with their whole life ahead of them and the suffering addict trying to change and live.
4. Deal with everyone on a personal basis, whether it be a facility director or staff member, an addict helping to carry the message, a newcomer or an addict still suffering. Take a personal interest and listen. Remember, it is better to understand than to be understood. Fulfill all commitments no matter how small wherever possible. Be responsible enough to return all calls. Be the example.
5. Carry the message of hope. Keep updated meeting lists from different areas in all facilities. Allow the still suffering addict to know we care about them and will be there for them when they leave the facility. Remember, hope not illusion. Allow them to know the daily commitment we make to stay clean.
6. Be open to new ideas. I am the newcomer to this way of life. If you think something is controversial, introduce it early and allow people time to process it before asking for a decision. Communicate with other H&I chairs to find out how their areas run. Always seek out old timers, inevitably, they have already gone through what we are going through.
7. If a controversy arises with an H&I member or panel participant, it is the responsibility of the H&I chair to first communicate with the facility to explore the controversy and then call a meeting of the H&I subcommittee as soon as possible. It is suggested that you bring together as many members as possible to give you input and direction on how to handle the situation. Remember, members of the subcommittee first.
