OLD BUSINESS:

None

NEW BUSINESS:

Motion 8-15-1- In reference to the 8th tradition, the ODOP home group asks that the chair solicit bids from three CPAs to perform an audit. We would like the bids be brought to next Area

business meeting. (September 6, 2015) **Intent:** To have a full thorough accounting of Area funds as per the 11th concept. In light of the fact that it has been neglected for three years. This is to provide accountability of NA funds. **Written by:** David H and **2nd by:** Rachelle W.

Discussion (September 13, 2015) **Vote** (October 4, 2015)

Motion 8-15-2 – Unity area committee would like to make a housekeeping motion to ask Area service for \$100.00. Due to the amount of expenses used at the July 4th picnic. The lack of attendance at the July 2015 monthly dance and having to pay facility fee and DJ for the dance forced us to have a big loss. Our funds are depleted. Currently we have \$76.85. **Intent:** To make sure we can cover our expenses for future events. Mainly our August 2015 speaker jam.

Written by: Ramona B and **2nd by:** Pam A. *******Passed Vote of 11-6-1*******

Motion 8-15-3 – To postpone September 6th Area one week to September 13th. **Intent:** To avoid Area falling on Labor Day weekend. **Written by:** Rachelle W. and **2nd by:** Manny D.

*******Passed Vote 12-1-4*******

Motion 8-15-4 – To have Regional donation to be given today, due to Area being after Region.

Intent: To have a Regional donation before Region on September 12th. **Written by:** Nancy U. and **2nd by:** Rachelle W. *******Passed Vote 14-0-2*******

Regional Motions: #0615P1 (Abstain Vote 3-4-9), 0615P2 (Abstain Vote 4-0-12), and 0615P3 (Abstain Vote 3-5-9)

DISCUSSION TOPICS:

Topic #1: When there are motions from Region that groups need to vote on, they really should be discussed at Area service first. Also it would help that there be a note in new business, this needs to happen. Chris W.

Topic #2: Should the 4th of July and Labor Day picnics continue to be free events? Maybe charge a nominal fee for burgers (\$1.00) and hot dogs (\$0.50)? Chris W.

Notes: None

FINAL TREASURERS REPORT: **See attached**

****Motion to adjourn meeting at 4:10 pm, Moved by Nancy U. & 2nd by Henry J.****

And, at these annual meetings, we will generate a priority list of member activities for the coming year.
6. *Southeast Zonal Forum (SEZF; 4,471 meetings)*: The mission of the Southeast Zonal Forum is to provide a regularly scheduled time and place where representatives of the member regions come together to further our primary purpose, "to carry the message of recovery to the still suffering addict", through service oriented discussions, workshops and events. The Southeast Zonal Forum's primary function is to facilitate joint, multi-regional efforts which serve our member regions and are directly responsible to the Regional Service Committees within the zone.

We provide a biannual report on the floor of the World Service Conference and, when requested by the conference, may also answer specific questions or address the body. In order to improve communications, we are provided with conference participant mailings and send each meeting record to world services. | <p>1. Fellowship development: Zones may be able to assist with multi-regional PR efforts or offer support (resources) for PR efforts within a zone. Additionally, zones may help coordinate outreach efforts and help with local NA community development. Fellowship Development within a zone (and elsewhere) can include looking to see where NA is not and helping to initiate those efforts.</p> | | | |
| <p>2. Leadership development (delegates and zonal trusted servants): A zone is a likely service setting where leaders could be recognized and cultivated, including training delegates or those with trusted servant positions within a zone to help these members be even more effective.</p> | | | |
| <p>3. Planning: Zones can function well to help spot trends within their regions and participate in scanning (looking at the environment). This information could be collected at a zonal level to feed into an environmental scan at the world level and/or contribute information for the zone to help in its overall plan.</p> | | | |
| <p>4. Communication link: Zones are ideally positioned to facilitate the information flow to and from World Services and from member regions to other regions and zones. PR forums, Issue Discussion Topics, outreach efforts, and other types of workshops at a zonal level could help the flow of communication. Communication from zone to zone may also be productive.</p> | | | |
| <p>5. Exchange of best practices: Zones can be a place where regions gather to discuss what is working well for them and possibly extend these best practices to their regions to help improve service delivery. This role seems natural for zones that have open forums or sharing sessions among member communities.</p> | | | |

| <p>6. Point of connection—unity link: Zones can form a unity link between geographically related communities, including larger and smaller NA communities, as well as those that are emerging and more developed. Their meetings can be a place where member regions feel part of a larger NA community, and more experienced members can stay involved in service. Because of zones' makeup, it's relatively easy for interested members to attend and feel engaged, which zones could even encourage.</p> | | |
| <p>7. Part of Fund Flow System: Currently, zones are not part of the formal fund flow system in a uniform sort of way. Ideally, do you think it would be beneficial to have more definition and guidance on how zones could fit into the fund flow?</p> | | |
| <p>8. Training and development beyond the delegates: Zones could offer workshops to interested members within a zone on a variety of local service topics. Zones could host a multi-regional training/developing service-learning event for all members, or join with neighboring zones to do so.</p> | | |
| <p>9. Collaboration: Zones can be an arena where member regions work together toward a common goal such as workshops for members from regions within a zone. They can be a forum that encourages regions to work together. Additionally, a zone could serve as a 'hub' for collaboration to encourage more local collaboration between NA service bodies.</p> | | |
| <p>10. Delegation Stream: Currently representation and participation at the World Service Conference comes from regions. Discussion at WSC 2014 suggested representation from zones may be the most logical future for representation at the WSC to serve the needs of NA worldwide.</p> | | |
