# NAWS Web meetings

Web meetings are a great way to gather information and share experiences on service related topics. Some of the topics are ongoing discussions, and others are new as we attempt to put together new tools for the Fellowship. Below are more details.

**Public Relations** web meetings are a gathering of area & regional PR trusted servants who share their experiences and challenges with PR service; topics are identified by PR trusted servants. Write to [pr@na.org](mailto:pr@na.org) for more information.

**Inmate Step Writing** web meetings offer support for those service committees who offer this service. Write to [handi@na.org](mailto:handi@na.org) for more information.

**H&I** web meetings welcome individuals and trusted servants interested in discussing issues around H&I service. Write to [handi@na.org](mailto:handi@na.org) for more information.

**Conventions and Events** web meetings will gather information and collect best practices to develop tools. Experienced members needed, all are welcome. See [www.na.org/conventions](http://www.na.org/conventions) for more information.

**Local Service** web meetings focus on gathering best practices to begin putting together a local service toolbox. The first focus will be consensus-based decision making. See [www.na.org/toolbox](http://www.na.org/toolbox) for more information.

**Rural Service** web meetings are intended for those serving in places where meetings are far apart or population is sparse. Come join us and share your experiences with others who can relate. Write to [nick@na.org](mailto:nick@na.org) for more information. To watch previous meetings and access more materials related to rural service go here: [www.na.org/ruralservice](http://www.na.org/ruralservice).
