SUB-COMMITTEE REPORTS

Audit- An audit of Area was performed on Saturday July 30,2022 at the front street diner. After review of the books the following was determined.

1. A deposit of \$880.80 for January literature orders recorded in the check book but not added into total on the checkbook.
2. Auto pay in January were recorded twice in the checkbook.
3. As of the 30th there were two outstanding checks that were not yet on the July, 2022 bank statement.

Once all of these were added back into the checkbook total, the totale matched the July 2022 bank statement to the penny. An Audit of Unity will be set up for sometime this month to be brought to area the following month. A discrepancy between area monthly reports and bank statements was just discovered. I will review this month and find out where the errors were made and also report on this next area. Thank you for letting me be of service. -David P

Area Treasurer- There was an audit of the Area Treasurer records. Our report to area was correct but bank statement needed to be adjusted. An auto pay that was deducted twice. Amount of \$115.14 another auto pay of \$52.31 plus deposit that was deposited but not added to the checking account. The bank statement and our records are also being looked at as there seems to be a discrepancy. This will be taken care of this month and a deposit in September will follow. - Nancy U.

Unity- The Unity committee has canceled the pool party. We are having a speaker jam/ fundraiser on 8/20/22 at 6th & Forester. The unity committee is requesting \$99 for this fundraiser.- Rochell R.
