May 2025 RCM Report

My apologies for not being able to attend last month but I was very sick and contagious. I've tried to contact the new alt RCM with no luck not sure what her intentions are, maybe she will show up here today. I haven't received any regional minutes from the secretary there was an email from him with information from the RD which I was unable to open on my phone. Mostly about upcoming dates for inclusion in the CAR for 2026. The motions we voted on in March were rescinded and this month will be discussed again before we need to vote on those issues again.

News from NAWS May I was Service Day they had a open webinar on Revitalizing & Remapping Service Committees which was yesterday, unfortunately I was unable to attend. The WCNA shop is closing its doors on May 7 so if you want anything log in today. There is a CAR survey input form posted until May 20. Filling it out will carry your idea to conference participants who will work together to shape that survey.

The ADHC committee investigating MARCNA39 has incomplete records so can't finish their project so they are being given until July 2025 to see if they can come up with more information and see what's what. The organizational meeting for MARCNA41 was April 27 unsure if positions are filled or not more info ~~at~~ next Saturday at virtual meeting of the region.

5/2025
RCM
report

I have insurance forms and we have a new policy so all groups will need to fill out a new form to get a new certificate good for 1 year April 2025 to April 2026. You will need to fill out a special event form for any events your group has outside of your regular meeting. Unity Committee will need a special event form for every event that is held at different facilities an event held monthly at the same place only needs 1 form for that facility.

Our MARSCNA website is ~~is~~ severely outdated our meeting information is incorrect and several other issues are giving out misinformation this was addressed at March in person region but hasn't been corrected.

If anyone is interested in becoming the RCM or Alt please see me as I'm not sure how long I'll be able to keep this commitment.

I received Basic texts from the RD from ECCNA 27 and have given them to the H+I Chair. Also I received CD's and gave them to ~~the~~ Richie to be used in any way.

Thanks for letting me serve
