My 10th Concept

4th Concept says

Our Fellowship leaders ought not be dictators or order-givers: they are our servants. Able leadership in the spirit of service does not drive by arrogant mandate, demanding conformity; it leads by example, inviting respect. And nothing invites us to respect our trusted Servants more than clear evidence of their humility.

On June 1, 2023 when ask to do a housekeeping motion it was denied without group approval. I was trying to help a new group and the Vice-Chair was arrogant and said to me and anyone there at area that if we had a problem with the way she was doing thing that we needed to call are Sponsor.

She told policy personally that she was not doing what policy says. Policy says that group must have there orders in 12304013. for Active Groups. This was not a active Group they announce there joining us after 2100AP. She was very arrogant and controlling when talking, and acted as she has control over area.

The Ninth Concept allows me to speak on issues that concern the area. The area Vice-chair shown a bad impression to a new group by her action. Policy said that they could get a starter kit. And all that would have done, would take up a little of the Literature committees time. She acted as if she controls the group's, but its the other way around, and group can vote her out of her position.

The Tenth Concept is our spiritual society's promise that if one of us is wronged in the service environment, the aggrieved trusted servant may asked that the wrong be made right.

So, I'm asking the Vice-Chair for an apology for me and the area as a whole.

Sincerely
Gerald W.
Thank You
